

Before Starting the Project Listings for the CoC Priority Listing

The FY 2018 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2018 CoC Program Competition NOFA.

The FY 2018 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2018 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2018 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

The CoC received a voluntary reallocation from Operation Hope to combine this project and a project that was voluntary reallocated (Seaview PSH). The CoC committed to identify a solution to ensure that the 16 households occupying the Seaview units would retain their housing. The CoC accepted the proposal from Operation Hope to combine the two projects in order to create PSH Seaview + Hope to be submitted as a new project for the FY 2018 application. The CoC notified Operation Hope on August 29, 2018 that the both the voluntary reallocation and the proposal to apply for new funding were approved.

3. Reallocation - Grant(s) Eliminated Details

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

Applicants should refer to the final HUD-approved FY 2017 Grant Inventory Worksheet to ensure all information entered on this form is accurate.

Eliminated Project Annual Renewal Amount: \$176,032

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

The CoC executed FY 2017 project budget reallocations in FY 2017 based on a set cost standard against which projects' ARA were compared - Recovery Network of Programs (RNP) accepted a budget reduction for Seaview PSH as part of this strategy & submitted a reduced project budget in FY 2017. After further consideration & upon execution of the FY 2017 contract, RNP contacted the CoC with concerns that the grantee could not operate within this budget reduction. The CoC offered technical assistance to the grantee on identifying a solution, however, the grantee ultimately determined the best course of action was to reallocate the funds back to the CoC. The CoC communicated acceptance of the voluntary reallocation on July 11, 2018 to RNP.

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects.
